Summary of Hearing Presentation - Scheduled March 27, 2019

Jason Barrier will introduce our group and provide some context around who we are, where we are and how we farm.

Richmond Beetham from Baker Ag will explain the financial implications for many families in our valleys. Referencing the pre-circulated expert evidence statement including the report Implications of the proposed Waikato Regional Plan Change 1.

Kirstie Hill will explore how those financial consequences will impact our wider communities. Reference submission points 4, 13, 16, 34-38, 41.

Kelly Deihl will show how our catchments have been understudied. Referencing the pre-circulated advocacy statement on Water Monitoring.

Jason Barrier will show how the lack of relevant hill country water information has resulted in poorly designed rules for hill country environments. He will also explore some alternative approaches for hill country water management. Reference submission points 10, 11, 12, 45-47, 48, 54, 94.
