

## Minute from the Hearing Panel – regarding:

**The land Tahī Farm Group Limited and Southern Pastures Limited Partnership (The land and Southern Pastures) seeking to file their expert evidence late (no later than the 8 May 2019).**

The land and Southern Pastures has sought to file its two briefs of expert evidence 3 working days late (i.e. - no later than the 8 May 2019).

This request was received on the 30 April 2019. The reasons given are: the unexpected illness of one witness, conflicting professional commitments in the week of 29 April 2019, and overseas travel arrangements which were arranged prior to confirmation of dates for evidence being due.

The Hearing Panel (Panel) accepts the expert evidence being filed up to 3 working days late for the reasons set out above.

Any party wishing to lodge rebuttal evidence to the evidence will have until the 15 May 2019.

Greg Hill

Chairman of the Hearing Panel.
