

Waikato Regional Plan Change 1 - Waikato and Waipā River Catchments and Variation 1 to Plan Change 1

Block 3 submission – Anna Nelson

On behalf of Nelson Farms Partnership

We fully support the Sub-catchment and Farm Environment Planning (FEP) process to be incorporated in PC1.

I am the part-time co-ordinator for King Country River Care Inc., an umbrella group supporting local sub-catchment groups.

In Block 2 I attached our Nelson Farms Partnership FEP documents, additionally I include some brief statistics showing how KCRC has progressed over the first 6 months of activity and attach the KCRC 10 year Strategic Planning document.

KCRC Member Info to 1 April 2019

In a very limited timeframe for gathering subcatchment data via KCRC membership google form I can tell you the following...

43 farm businesses have completed the membership form

243 people live on those farms

60 staff are employed

21.6 km sq (21600ha) is covered by member forms

1830 km sq is combined Mokau & Awakino total catchments area

3.2 km sq has been retired

150km waterways and wetlands is unfenced

250km waterways and wetlands already fenced

4 farms have less than 75% of paddocks with troughed water
