IN ACCORDANCE WITH SCHEDULE 1 OF THE RESOURCE MANAGEMENT ACT:

I am:

- A person representing a relevant aspect of the public interest.
In this case, also specify the grounds for saying that you come within this category; or
- A person who has an interest in the proposal that is greater than the interest the general public has.
In this case, also explain the grounds for saying that you come within this category; or
- The local authority for the relevant area.

My reasons are (i.e. grounds for selection above):

PLEASE INDICATE WHETHER YOU WISH TO SPEAK AT A HEARING

- Yes, I wish to speak at the hearing in support of my further submission.
- No, I do not wish to speak at the hearing in support of my further submission.

JOINT SUBMISSION

- If others make a similar submission, please tick this box if you would consider presenting a joint case with them at the hearing.

IF YOU HAVE USED EXTRA SHEETS FOR THIS SUBMISSION PLEASE ATTACH THEM TO THIS FORM AND INDICATE BELOW

- Yes, I have attached _____ extra sheets. No, I have not attached extra sheets.

SIGNATURE - NOTE A SIGNATURE IS NOT REQUIRED IF YOU MAKE YOUR SUBMISSION BY ELECTRONIC MEANS

Signed _____ Date _____
Type name if submitting electronically

FURTHER SUBMISSIONS CAN BE SENT BY

Chief Executive, 401 Grey Street, Private Bag 3038, Waikato Mail Centre, Hamilton 3240

Waikato Regional Council, 401 Grey Street, Hamilton East, Hamilton

(07) 859 0998

healthyrivers@waikatoregion.govt.nz *Please note: Submissions received by email must contain full contact details.*

PLEASE CHECK that you have provided all of the information requested and if you are having trouble filling out this form, phone Waikato Regional Council on 0800 800 401 for help.

Personal information is used for the administration of the submissions process and will be made public. All information collected will be held by Waikato Regional Council, with submitters having the right to access and correct personal information.

Form 6 of Schedule 1, Resource Management Act 1991.

FURTHER SUBMISSIONS ON PROPOSED PLAN CHANGE 1 AND VARIATION 1 TO PROPOSED PLAN CHANGE 1

NAME OF ORIGINAL SUBMITTER: _____ **ORIGINAL SUBMITTER ID:** _____

ADDRESS OF ORIGINAL SUBMITTER: _____

Clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal. Also indicate the Submission Point ID.

PROVISION (e.g. Objective 4 or Rule 3.11.5.1): _____

SUBMISSION POINT ID (e.g. PC1-1234 or V1PC1-1234) _____

Do you support or oppose the submission? Support Oppose

THE REASONS FOR MY SUPPORT OR OPPOSITION ARE:

Tell us why you support or oppose this submission. These reasons will help us to understand your further submission

I SEEK THAT THE WHOLE (OR PART [DESCRIBE PART]) OF THE SUBMISSION BE ALLOWED (OR DISALLOWED): *Give precise details*

--	--

NOTES ON MAKING A FURTHER SUBMISSION

1. Serving a copy of your further submission

A copy of your further submission must be served on the original submitter within 5 working days after it is served on (i.e. received by) Waikato Regional Council.

2. Further submission content review

Please note that your further submission (or part of your submission) may be struck out if the authority is satisfied that at least 1 of the following applies to the submission (or part of the submission):

- it is frivolous or vexatious
- it discloses no reasonable or relevant case
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further
- it contains offensive language
- it is supported only by material that purports to be independent expert evidence, but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.

3. Privacy information

The Waikato Regional Council will make all submissions and further submissions including name and contact details publicly available on Council's website. Under the RMA, any further submission supporting or opposing an original submission is required to be served on the original submitter after it is served on council therefore your contact details must be made available.

Personal information will also be used for administration relating to the subject matter of the submissions, including notifying submitters of hearings and decisions. All information will be held by the Waikato Regional Council with submitters having the right to access and correct personal information.

			discharges should be focused over the short term on high intensity land use.	
Timberlands Limited Submitter ID: 73036	PC1-3311	Policy 4	Rayonier Matariki Forests agree that low intensity land use (including forestry) should be enabled and that no further reduction requirements over the short term (i.e. achievement of Objective 3) be required. Mitigation options to reduce diffuse nutrient discharges should be focused over the short term on high intensity land use.	Rayonier Matariki Forests support the submission in part
Oji Fibre Solutions (NZ) Limited Submitter ID: 73725	PC1-6401	Policy 4	Rayonier Matariki Forests agree that low intensity land use (including forestry) should be enabled and that no further reduction requirements over the short term (i.e. achievement of Objective 3) be required. Mitigation options to reduce diffuse nutrient discharges should be focused over the short term on high intensity land use.	Rayonier Matariki Forests support the submission in part
Pickens and Tanneau, Craig and Julie Submitter ID: 74138	PC1-6588	Policy 4	Rayonier support this in part, in that low level discharge to water bodies should be enabled by the Permitted Activity rules.	Rayonier Matariki Forests supports this submission in part
Ravensdown Limited Submitter ID: 74058	PC1-10105	Policy 4	Rayonier support this in part, in that low level discharge to water bodies should be enabled by the Permitted Activity rules. Rayonier Matariki Forests agree that low intensity land use (including forestry) should be enabled and that no further reduction requirements over the short term (i.e. achievement of Objective 3) be required. Mitigation options to reduce diffuse nutrient discharges should be focused over the short term on high intensity land use.	Rayonier Matariki Forests supports this submission in part

Stokman, Mark and Sharon Submitter ID: 73976	PC1-6690	Policy 4	Rayonier Matariki Forests agree that low intensity land use (including forestry) should be enabled and that no further reduction requirements over the short term (i.e. achievement of Objective 3) be required. Mitigation options to reduce diffuse nutrient discharges should be focused over the short term on high intensity land use.	Rayonier Matariki Forests support the submission in part
Williamson, Don and Robyn Submitter ID: 73957	PC1-2798	Policy 4	Rayonier Matariki Forests agree that low intensity land use (including forestry) should be enabled and that no further reduction requirements over the short term (i.e. achievement of Objective 3) be required. Mitigation options to reduce diffuse nutrient discharges should be focused over the short term on high intensity land use.	Rayonier Matariki Forests support the submission in part
Woodacre Partnership Submitter ID: 67313	PC1-4207	Policy 4	Rayonier Matariki Forests agree that low intensity land use (including forestry) should be enabled and that no further reduction requirements over the short term (i.e. achievement of Objective 3) be required. Mitigation options to reduce diffuse nutrient discharges should be focused over the short term on high intensity land use.	Rayonier Matariki Forests support the submission in part
Yule, Don, Lauris and Yvette Submitter ID: 73096	PC1-11530	Policy 4	Rayonier Matariki Forests agree that low intensity land use (including forestry) should be enabled and that no further reduction requirements over the short term (i.e. achievement of Objective 3) be required. Mitigation options to reduce diffuse nutrient discharges should be focused over the short term on high intensity land use.	Rayonier Matariki Forests support the submission in part

Auckland/Waikato Fish and Game and Eastern Region Fish and Game Submitter ID: 74085	PC1-10879	Policy 6	Rayonier Matariki Forests oppose this submission as by not granting any alternative higher discharge land use following forestry, this actively discourages new plantings of forests.	Rayonier Matariki Forests oppose the submission
Department of Conservation Submitter ID: 71759	PC1-10664	Policy 6	Rayonier Matariki Forests oppose this submission in part as by not granting any alternative higher discharge land use following forestry, this actively discourages new plantings of forests.	Rayonier Matariki Forests oppose the submission in part
Federated Farmers of New Zealand Submitter ID: 74191	PC1-10822	Policy 6	Rayonier Matariki Forests oppose this submission in part	Rayonier Matariki Forests oppose this submission in part
Hancock Forest Management (NZ) Ltd Submitter ID: 73724	PC1-5633	Policy 6	Rayonier Matariki Forests support this submission	Rayonier Matariki Forests support this submission
Matamata-Piako District Council Submitter ID: 73419	PC1-3494	Policy 6	Rayonier Matariki Forests support in part this submission as by deleting the first sentence which restricts the activities which are to be granted, this does not discourage from further planting of forests.	Rayonier Matariki Forests support this submission in part
New Zealand Forest Owners Association Inc Submitter ID: 73524	PC1-9957	Policy 6	Rayonier Matariki Forests support this submission	Rayonier Matariki Forests support this submission
Oji Fibre Solutions (NZ) Limited Submitter ID: 73725	PC1-6404	Policy 6	Rayonier Matariki Forests support this submission	Rayonier Matariki Forests support this submission
South Waikato District Council Submitter ID: 72892	PC1-4042	Policy 6	Rayonier Matariki Forests support in part this submission as by deleting the first sentence which restricts the activities which are to be granted, this does not discourage from further planting of forests.	Rayonier Matariki Forests support this submission in part
The Royal Forest and Bird Protection Society of New Zealand Incorporated Submitter ID: 74122	PC1-8258	Policy 6	Rayonier Matariki Forests oppose this submission as by not granting any alternative higher discharge land use following forestry, this actively discourages new plantings of forests.	Rayonier Matariki Forests oppose the submission

Waikato Regional Council Submitter ID: 72890	PC1-3005	Policy 6	Rayonier Matariki Forests oppose this submission as by not granting any alternative higher discharge land use following forestry, this actively discourages new plantings of forests.	Rayonier Matariki Forests oppose the submission
Collins, Nick Submitter ID: 71202	PC1-817	3.11.5.7 Non-complying activity rule	The proposed amendments have the potential to adversely impact upon plantation forestry operations as they discourage new plantings of forests.	Rayonier Matariki Forests oppose the submission
Waitomo District Council Submitter ID: 73688	PC1-10335	3.11.5.7 Non-complying activity rule	Rayonier Matariki Forests supports this submission in part. We would like to see provisions to encourage lower intensity land use changes such as forestry planting as the current proposal discourages new plantings of forests.	Rayonier Matariki Forests supports this submission in part
Auckland/Waikato Fish and Game and Eastern Region Fish and Game Submitter ID: 74085	PC1-11002	3.11.5.7 Non-complying activity rule	Rayonier opposes this submission as the applicant is suggesting that all applications should be notified. This discourages new plantings of forests.	Rayonier Matariki opposes this submission
Department of Conservation Submitter ID: 71759	PC1-11059	3.11.5.7 Non-complying activity rule	Rayonier opposes this submission as it is in support of the provision, which actively discourages new planting of forests.	Rayonier Matariki opposes this submission
Federated Farmers of New Zealand Submitter ID: 74191	PC1-10845	3.11.5.7 Non-complying activity rule	Rayonier Matariki Forests supports this submission in part	Rayonier Matariki Forests supports this submission in part
Hancock Forest Management (NZ) Ltd Submitter ID: 73724	PC1-5782	3.11.5.7 Non-complying activity rule	Rayonier Matariki Forests supports this submission in part as it encourages the planting of forests.	Rayonier Matariki Forests supports this submission in part
New Zealand Forest Owners Association Inc Submitter ID: 73524	PC1-9962	3.11.5.7 Non-complying activity rule	Rayonier Matariki Forests supports this submission as it encourages the planting of forests.	Rayonier Matariki Forests supports this submission
New Zealand Institute of Forestry Submitter ID: 74142	PC1-9866	3.11.5.7 Non-complying activity rule	Rayonier Matariki Forests supports this submission as it encourages the planting of forests.	Rayonier Matariki Forests supports this submission

Oji Fibre Solutions (NZ) Limited Submitter ID: 73725	PC1-8716	3.11.5.7 Non-complying activity rule	Rayonier Matariki Forests supports this submission in part as it encourages the planting of forests.	Rayonier Matariki Forests supports this submission in part
South Waikato District Council Submitter ID: 72892	PC1-4220	3.11.5.7 Non-complying activity rule	Rayonier Matariki Forests supports this submission in part	Rayonier Matariki Forests supports this submission in part
The Royal Forest and Bird Protection Society of New Zealand Incorporated Submitter ID: 74122	PC1-8214	3.11.5.7 Non-complying activity rule	Rayonier opposes this submission as it is in support of the provision, which actively discourages new planting of forests.	Rayonier Matariki opposes this submission
Hancock Forest Management (NZ) Ltd Submitter ID: 73724	PC1-5785	Schedule A	Rayonier Matariki Forests supports this submission in part	Rayonier Matariki Forests supports this submission in part
Hancock Forest Management (NZ) Ltd Submitter ID: 73724	PC1-5786	Schedule B – Nitrogen Reference Point	Rayonier supports this submission in part, as limiting nitrogen leaching on individual properties by way of a 2014-2016 Nitrogen Reference Point will discourage new plantings of forest and will lower forestry land values.	Rayonier Matariki Forests supports this submission in part
Hamilton, Malibu Submitter ID: 74083	PC1-10520	Section 5.1.5	The NES for Plantation Forestry Regulations 2017 commenced on 1 May 2018. Rayonier support forest harvesting provisions that are consistent with the NESPF and best management practices.	Rayonier Matariki Forests oppose the submission
Hancock Forest Management (NZ) Ltd Submitter ID: 73724	PC1-5808	Section 5.1.5	Rayonier supports this submission in part. We would like to see 5.1.5(q)(b) removed and replaced with the following to allow for some flexibility on-site in order to achieve best environmental outcomes: “A slash & sediment plan for a harvesting block that adheres to best management practices, shall be available on site for inspection on request at commencement of and during the harvest operation, with variations to the plan and reasons for the variations documented”.	Rayonier support this submission in part

New Zealand Farm Forestry Association - Waikato Branch Submitter ID: 73698	PC1-10132	Section 5.1.5	The NES for Plantation Forestry Regulations 2017 commenced on 1 May 2018. Rayonier support forest harvesting provisions that are consistent with the NESPF and best management practices.	RNZ supports this submission in part.
New Zealand Forest Owners Association Inc Submitter ID: 73524	PC1-9964	Section 5.1.5	Rayonier supports this submission in part. We would like to see 5.1.5(q)(b) removed and replaced with the following to allow for some flexibility on-site in order to achieve best environmental outcomes: “A slash & sediment plan for a harvesting block that adheres to best management practices, shall be available on site for inspection on request at commencement of and during the harvest operation, with variations to the plan and reasons for the variations documented”.	RNZ supports this submission in part.
NZ Forest Managers Ltd Submitter ID: 73443	PC1-6005	Section 5.1.5	Rayonier support notification periods and harvest plan details that are consistent with the NES for Plantation Forestry Regulations 2017.	Rayonier supports this submission in part.
Oji Fibre Solutions (NZ) Limited Submitter ID: 73725	PC1-8950	Section 5.1.5	Rayonier supports this submission in part. We would like to see 5.1.5(q)(b) removed and replaced with the following to allow for some flexibility on-site in order to achieve best environmental outcomes: “A slash & sediment plan for a harvesting block that adheres to best management practices, shall be available on site for inspection on request at commencement of and during the harvest operation, with variations to the plan and reasons for the variations documented”.	Rayonier supports this submission in part
Phillips, Neal Submitter ID: 71231	PC1-761	Section 5.1.5	Schedule 3 of the NES for Plantation Forestry Regulations 2017 contains harvest plan	Rayonier Matariki Forests oppose the submission

			specifications. Rayonier supports forest harvesting plan provisions that are consistent with the NESPF.	
Sieling Farms Submitter ID: 73514	PC1-5483	Section 5.1.5	The NES for Plantation Forestry Regulations 2017 commenced on 1 May 2018. Rayonier support forest harvesting provisions that are consistent with the NESPF and best management practices.	Rayonier Matariki Forests support the submission
Auckland/Waikato Fish and Game and Eastern Region Fish and Game Submitter ID: 74085	PC1-11016	Section 5.1.5 q)	The proposed reference to buffering measures is a duplication of existing text in this rule. The proposed reference to replanting should not be included in a Harvest Plan.	Rayonier Matariki Forests oppose the submission
Mercury NZ Limited Submitter ID: 73182	PC1-9683	Section 5.1.5 q)	Rayonier support the proposed amendments clarifying the intent and meaning of riparian vegetation to be protected.	Rayonier Matariki Forests support the submission
Department of Conservation Submitter ID: 71759	PC1-10658	Glossary of Terms	Rayonier agree that inclusion of a definition for “low discharging activities” and “regionally significant industry” would assist with interpretation of rules	Rayonier Matariki Forests support the submission
Auckland/Waikato Fish and Game and Eastern Region Fish and Game Submitter ID: 74085	PC1-11019	Consequential amendments to Waikato Regional Plan	Rayonier oppose amendments to the Waikato Regional Plan that are outside the scope of Proposed Plan Change 1, that would adversely affect plantation forestry operations	Rayonier Matariki Forests oppose the submission
