Personal information is used for administration and will be made public. All information collected will be held by Waikato Regional Council, with submitters having the right to access and correct personal information.

FORM 5 Clause 6 of First Schedule, Resource Management Act 1991

SUBMISSIONS ON SPECIFIC PROVISIONS OF VARIATION 1 TO PROPOSED PLAN CHANGE 1

PROVISION (e.g. Objective 4 or Rule 3.11.5.1): Amendments that seek to alter some reporting and or compliance dates applying to rules/methods

Do you support or oppose the provision? Support Support with amendments Oppose Oppose with amendments

DECISION SOUGHT

State clearly the decision and/or suggested changes you want council to make on the provision.

The decision I would like the council to make regarding this provision is:

Decision sought:

Replace dates with suitable alternative dates which are practical and capable of being achieved by landowners/farmers and able to be implemented by Waikato Regional Council. This applies to the 2026 dates as well as others.

Any other suitable and/or consequential relief which addresses the reasons for submission.

SUBMISSION

State clearly the reasons for the decision you want council to make.

The reason for requesting this decision is:

The dates for compliance with various rule requirements (information to be provided to WRC in rule 3.11.5.2; timing for provision of Farm Environment Plan (“FEP”) in rule 3.11.5.3; timing for when controlled activity rule 3.11.5.4 applies to farming activities with a FEP not under certified industry scheme; timing for provision of FEP under rule 3.11.5.4; timing for when existing commercial vegetable production activities become classed as controlled in rule 3.11.5.5 and amendments to dates in the advisory note to the same rule; timing for registration under Schedule A; timing for provision of Nitrogen Reference Point (“NRP”) and NRP data in Schedule B).

There are no proposed changes to the 2026 dates in any of the above.

There is no explanation or analysis which explains the reasons for the changes. It is understood that the changes were made in light of the timing of the plan change process. However, which the changes are presented as consequential changes, they are not. The dates are critical to the implementation of the plan change and assessing its effectiveness.

The section 32 evaluation does not address the proposed date changes.

Notwithstanding the above, it is appropriate for these dates to be amended so that they are practical and capable of being achieved by landowners/farmers and able to be implemented by Waikato Regional Council. This applies to the 2026 dates as well as other

Hi Keita,

Yes the sentence should finish “.....as well as others.” I cropped it in error when pasting onto the form.

Regards

Andrew Loe

Subject: RE: Variation 1 - submission from Otorohanga District Council

Hi Andrew

Thank you for your submission. Could you please check page 3 of the submission and advise if this is complete? The last sentence appears incomplete: “This applies to the 2026 dates as well

as other”

Thanks

Keita
